

## BUSES AND TRAMS

Bydgoszcz has an extensive network of public transport. Full fare tickets (daytime) cost 2.60 PLN and can be bought at any newsagent ("kiosk" in Polish). Children, students (presenting a students card) and senior citizens pay a reduced (half) fare.

You must stamp the ticket immediately after boarding a bus or tram. The ticket is only valid for one bus or tram ride, if you change the bus or tram, you have to stamp a new ticket. The current list of tickets and their prices can be found at [http://www.zdmikp.bydgoszcz.pl/attachments/article/9/cennik\\_od\\_1\\_02\\_2012.pdf](http://www.zdmikp.bydgoszcz.pl/attachments/article/9/cennik_od_1_02_2012.pdf)

You can also buy a long-term ticket (14, 30 or 90-days) encoded on a Bydgoszcz City Card. The JFTC Support Unit can help you to arrange the card. Visit [www.bydgoskakartamiejska.com.pl](http://www.bydgoskakartamiejska.com.pl) or the City Card info on L-drive for further details.

During the Spring/Summer season it is also possible to take a water tram as a means of public transport in Bydgoszcz. It runs on the Brda river from 01 May until the end of October. There are currently 3 routes to choose from. It is very popular among tourists and worth recommending.

## TAXIS

There are a lot of taxis in Bydgoszcz. In general, use taxis that clearly show a telephone number on a side. The price depends on the company. First kilometre costs approximately 6 PLN and every additional kilometre approximately 2,5 PLN. The cheapest and easiest way to order a taxi is by phone or by SMS. For trips at night you will have to expect a 50% increase of the fare. It is not mandatory to tip taxi drivers. Each taxi driver is obliged to provide a receipt for the service provided.

If you choose a "private" taxi (a taxi operating outside one of the taxi corporations), you may experience that the fare will be higher (check fare information on a taxi window) Keep an eye on the meter and if you believe the meter is counting too fast, ask the driver to stop, get out of the taxi and pay the fare before finding another taxi.
